REMARKS

SOURCE An untested source.

Troops were seen receiving training in aiming and loading with 9 x 82-mm mortars and 3 x 150-mm artillery pieces south of the Koenigsbrueck (N 52/A 31) railroad station on 25 February.

towing 57-mm

AT guns, were seen leaving the Neues Lager on 4 March. \*

Comment. The trucks seen leaving the installation on 26 February and 4 March 1952 as well as the trucks towing mortars, which left in the direction of Dresden on 29 February, belong to the 11th Gds Tank Div. The vehicles with guns and AT guns seen entering the Neue Kaserne on 1 March belong to the 7th Tank Div. The summer training of the divisions subordinate to the First Gds Heerz Army apparently had not begun on 4 March.
